**Deliberative Process/Ex. 5**

Please advise on this request. Also, we can accommodate no more than 5 people at the mine site at a time. The scheduling is problematic as we have heavy equipment in a very limited space. Operations have to be shut down during visits and we may be at critical work events when they come.

Thanks

David and Chris,  
As I reported on the 1:00 call, AG Coffman (CO) and AG Reyes (UT) would like to tour the mine on Wednesday meeting in Silverton at noon. They anticipate a group of 10. Coffman asked if they can bring a few media as well.

Here are the contacts to follow w up with:  
For CO: Roger at 720-245-4689  
For UT: Missy Larson at 801-230-9890

FYI, I'm considering coming out Wednesday morning with the AGs since I haven't been able to get up there yet.

Thanks,  
Shaun
